## KAWANDI (QUILTING) USING KAFFE FASSETT'S FABRIC – one day

In this workshop you will learn how to make your own beautiful Kawandi using Kaffe Fassett's gorgeous fabrics. Kawandi are traditional quilts of the Siddi community of India, which are typically made from sari scraps patched together from the outside in. This technique is very organic and relaxing, and gives the finished quilt lots of texture. Unlike traditional quilts, Kawandi are pieced and quilted at the same time making this technique perfect for a beginner quilter or for a project 'on the go'.
