PLEASE REVIEW BEFORE PROCEEDING

Sewing Machines for this class are provided by Viking & Sew'N Place.

Due to safety concerns and contractual obligations, you are NOT permitted to use any machine other than the machines provided by Viking.

Please do not bring your own Sewing Machine to this class.

Teacher supply lists are generic - they include items that we either provide or are not permitted. Please do not bring individual irons, craft irons or any other type of iron to class. Please review the class info page on www.road2va.com for more information.

Fabric requirements for the Perfectly Imperfect Workshop:

It's very difficult to give exact fabric amounts and measurements when sewing improv curves. A good selection of different fabrics is very helpful, you might want to use a mix of prints and solids. You can use scraps or fat quarters from your stash in coordinating colors for accents and contrast. We will only use a small amount of fabric in the class and the final amount needed will depend on the number of blocks you want to make. The background fabric is the biggest piece you'll need and should measure at least 8 x 8 inches. Please bring at least 10 pieces of larger quilting cotton fabric scraps (at least 8 x 8 inches) for the background and smaller quilting cotton fabric scraps in many colors (at least 8 x 1.5 inches). In this course we will not complete a project. If you want to, you can complete your project later at home by practicing what you have learned in class.
