## SASHIKO AND KAFFE FASSETT FUSION— one day

In this workshop you will start by practicing how to transfer Sashiko patterns onto fabric and sew the various techniques on a sample.

Using your new skills, you will then transfer a chosen design which you will stitch and make into a little table mat or wall hanging framed with Kaffe Fassett fabrics of your choice.

Sashiko is a relaxing and portable method of stitching that adds design elements to fabrics, garments and quilts, and it is beautiful when partnered with applique work.
